The 3M™ Bright Screen Privacy Filter with COMPLY™ Flip Attach for Apple® Devices

Choose 3M™ COMPLY™ Flip Attach and/or Adhesive Strips to securely attach

Work like nobody's watching.

Get the revolutionary privacy filter that so seamlessly protects your on-screen data, you'll hardly know it's there — but visual hackers around you will. 3M™ Bright Screen Privacy Filter with COMPLY™ Flip Attach for quick-sharing. Keeps your screen private wherever you work with nanolouver technology that powers a premium visual experience, perfectly balancing privacy, best-in-class brightness and exceptional clarity.

3M

Effectiveness
Offers world-class privacy without significantly darkening your screen, while still enjoying the same 60-degree privacy cutoff angle. Proprietary technology enables up to 85% transmission of the device's brightness.*

3M™ COMPLY™ Flip Attach
You may forget the 3M™ Bright Screen Privacy Filter is there! But with our unique attachment options, you can lift your filter with ease.

Works everywhere
Whether in the office or on the go, 3M™ Bright Screen Privacy Filters help to effortlessly keep your organization's screens private.

Brightest privacy filter yet
Up to 25% brighter than the standard black privacy filters.*

Made in the USA

with globally sourced materials.

Privacy when it counts

Our world-class privacy filters help protect the confidential and sensitive information on your screen from side views of visual hackers. Proprietary nanolouver technology delivers world-class effective "blackout" privacy from side views outside the 60-degree viewing angle.

3M offers a broad portfolio of privacy and protection products that provide a fit for nearly 40K devices.

Zone of Privacy Protection

60° 60°

3M™ Privacy Filters block side views, while providing a crisp, clear view for the intended viewer.

Plus, privacy and protection for your device that you can wipe clean with virtually no damage, hundreds of times.*
